Instructions

1. Score the 11" × 4¼" Secret Sea cardstock at 2¾" and 5½" to create the easel base. Fold and adhere the 5½" × 4¼" panel to the upper half.
 2. Emboss the Azure Afternoon panel with the Soft Waves Embossing Folder. Wrap with Linen Thread and adhere to the card front.
 3. Die cut a large arch from Secret Sea cardstock and a coordinating arch from Scenic Coast Designer Series Paper.
 4. Die cut the lighthouse silhouette from Secret Sea cardstock and trim away the circular top so it fits naturally within the arch.
 5. Layer the scenic paper, lighthouse, sailboats, birds, and fence onto the arch panel. Attach the completed panel to the card front with Stampin' Dimensionals.
 6. Stamp and add the "Today Is Your Day" sentiment.
 7. Decorate the inside using Azure Afternoon cardstock, Scenic Coast DSP, and the Perennial Postage sentiment label.
 8. Finish by stamping additional birds to continue the coastal scene inside the card.

♥ Debbie's Tip

Choose a Scenic Coast Designer Series Paper pattern with a low horizon line. It creates more open sky and gives the lighthouse a dramatic focal point.
